

Art Birthday Parties

Fort Mason Center, Bldg C | (415) 771-0292
sfcac@childrensartcenter.org

Enjoy a creative birthday celebration for ages 2 to 10!

-Activities may include painting, sculpture, printmaking, playdough, collage, shrink-art, and more! Teachers guide children in the use of the materials and keep the flow of the party engaging and fun, without imposing prescribed art "products."

-You bring the refreshments and decorations, we help you set up and serve.

-Parents can either drop-off or stay during the party. Fort Mason lot charges a small fee (free for dropping off); street parking is usually available in the neighborhood.

-Please be neighborly! We share our lobby with other Fort Mason organizations, so we ask that you help us respect our shared space by keeping the party in the studio.
